

**REimagine
the restroom.**

Revo
resolute tissue

Say Hello to Revo®.

The controlled dispensing system – REinvented

Looking for a better hands-free dispensing solution? With its greater cost efficiency and reliable performance, Revo's next-generation towel and tissue dispenser system brings peace of mind and a competitive advantage to any restroom.

More cost-effective

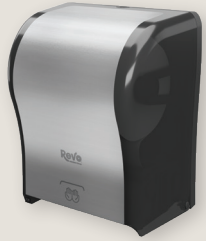

With 25% more battery life, 100% roll evacuation, adjustable sheet length settings, and controlled consumption, Revo dispensers deliver a better cost in use without sacrificing quality or environmental sustainability.

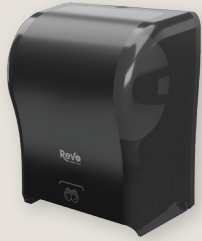

Greater reliability

From innovative towel dispenser drive technologies to robust construction, Revo dispensers deliver a trouble-free washroom experience that is backed by the quality and availability of Resolute Tissue's vertically integrated supply chain.

Timeless colors and style

Offered in standard colors of stainless, black or white. Revo dispensers can also be offered with custom logos.

Matte in-mold labels provide a modern and completely seamless finish to the dispenser. Opaque sides still show a glimpse of the tissue or towel inside.

The Revo Difference

**Feel safe at work
and on the go with
better hygiene**

Revo Electronic Hands-Free
Towel Dispenser, Stainless

Having the right skincare program plus using the hands-free Revo Controlled Dispensing System can help build the right hygiene solution for any environment.

Hygienic hands-free Revo towel dispensers help reduce the spread of infections, such as flu, colds and COVID-19.

Reduce waste. Reduce costs.

Reduce your environmental footprint

Revo gives you access to a more affordable, responsibly manufactured line of products certified to the FSC® Mix (FSC-C145882) or Green Seal® Standards.

The mark of responsible forestry

Experience the quiet design

In noise-sensitive environments like hospitals or classroom settings, Revo's Electronic Hands-Free Towel Dispenser sets a new standard for unobtrusive operation with its ultra-quiet dispensing.

REFined design for any environment

Our tissue and towel solutions benefit a broad range of markets by providing a reliable, sustainable, high-quality personal hygiene experience.

Our Total Solution Systems

Revo® Towel Systems

Revo Towel Systems are packed with features to upgrade washroom hygiene, style and functionality, while their low-waste, quick-dispensing efficiency keeps people moving – and you on budget.

- The electronic Revo towel dispenser is ultra quiet and dispenses quickly to keep lines short and people on the move.
- Low-waste, cost-saving features on this dispenser include variable sheet length settings and stub roll transfer feature.
- Both electronic and mechanical dispensers are hands-free for contactless hygiene.
- Choose between push-button or key-lock mode.
- Refills are certified to either the FSC® Mix (FSC-C145882) or Green Seal® Standards.

Our Total Solution Systems

Revo® Tissue Systems

Revo Tissue Systems give you access to a more affordable, responsibly manufactured line of FSC® and Green Seal® certified products.

- Twin Hi-Capacity Small Core Dispenser and Quad Hi-Capacity Small Core Dispenser use premium 2-ply tissue refills and a small core format to maximize capacity.
- Mini-Jumbo Twin Dispenser's high capacity keeps changeovers to a minimum and its enclosed cover places the tissue opening only on the bottom.
- Low-waste design prevents access to extra rolls until the first roll is used.
- Refills are available with FSC® Mix (FSC-C145882) or Green Seal® certifications.

Revo® Electronic Towel Dispenser

- Hands-free, ultra-quiet dispensing for increased hygiene and user satisfaction
- Industry-leading quick dispensing for high-traffic situations
- Energy hibernation feature extends battery life for minimal maintenance and better user experience (Four D-cell batteries included in easy-to-access battery compartment)
- Low battery life indicator light and low paper indicator light alerts custodial staff
- Three towel length settings for controlled consumption and cost-efficiency
- Stub roll transfer feature for low waste and lower costs
- Choose between push-button or key-lock mode
- Sleek, attractive design is also available with customized elements such as your brand
- Refill with either Revo Hardwound Towels in White (225815) or Revo Hardwound Towels in Kraft (225810)

Revo[®] Mechanical Towel Dispenser

- Hands-free, quiet dispensing for increased hygiene and user satisfaction
- Fully enclosed drum mechanism means more reliable, quiet dispensing
- Easy loading
- Durable design is built for heavy use
- Sleek, attractive design is also available with customized elements such as your brand
- Choose between push-button or key-lock mode
- Refill with either Revo Hardwound Towels in White (225815) or Revo Hardwound Towels in Kraft (225810)

Revo® Twin Hi-Capacity Small Core Dispenser

- High-capacity design holds two rolls of long-lasting, soft, 2-ply small core tissue rolls, minimizing replenishment.
- Small core roll holders are easy to load and prevent access to the second roll until the first roll is used for no waste.
- Choose between push-button or key-lock mode to eliminate pilferage and vandalism.
- Sleek, attractive design is also available with customized elements such as your brand.
- Refill with premium, soft 2-ply Revo Hi-Capacity Bath Tissue Rolls (321122), certified to Green Seal® Standards.

Revo® Quad Hi-Capacity Small Core Dispenser

- High-capacity design holds four rolls of long-lasting, soft, 2-ply small core tissue rolls, minimizing replenishment.
- Small core roll holders are easy to load and prevent access to upper rolls until lower rolls are used, for 100% roll evacuation and minimal cross contamination.
- Choose between push-button or key-lock mode to eliminate pilferage and vandalism.
- Sleek, attractive design is also available with customized elements such as your brand
- Refill with premium, soft 2-ply Revo Hi-Capacity Small Core Bath Tissue Rolls (321122), which is Green Seal® certified

Revo® Mini-Jumbo Twin Dispenser

- High-capacity design in a compact, unobtrusive footprint: holds two rolls (775' each) of soft, 2-ply rolls, minimizing maintenance changeovers
- Easy-loading roll holders
- Sliding door underneath releases when roll is completely used
- Single tissue roll access reduces cross-contamination and allows for 100% roll evacuation for no waste
- Choose between push-button or key-lock mode to eliminate pilferage and vandalism
- Sleek, attractive design is also available with customized elements such as your brand
- Refill with long-lasting 2-ply Revo Mini-Jumbo Tissue Rolls (322776) certified to FSC® Mix (FSC-C145882) chain of custody standards

From your responsive, vertically integrated, solutions provider

Driving true innovation and sustainability across all that we do.

Resolute Tissue is a business unit of Resolute Forest Products, a part of the Paper Excellence Group. As one of the few fully integrated tissue manufacturers in North America, our facilities give us a well-established presence in away-from-home (AfH) tissue manufacturing and are ideally suited to serve U.S. customers.
